Tinshill Free Church is an independent, evangelical, Christian church founded in 1968 on its existing half-acre site at the corner of Tinshill Avenue. We are about 6 miles from Leeds city centre on the North. At first services were held in a hut, but in 1983 the present brick building was erected and is now used to meet the spiritual needs of all age groups.

Tinshill Free Church exists both to worship God and to reach out to the world with the good news of Jesus Christ. Events take place regularly, including Services at 10.30am and 6.30pm, but also [other events](#) for most ages, including children and young people.

We would love to see you at any of the Services or at any other event mentioned on this website.

### Beliefs

Our beliefs are based entirely on the Bible. They are those which have been believed throughout the centuries since the time of Jesus Christ.

They can be summed up in the verse from John's gospel, chapter 1:

*"For God so loved the world that He gave His only begotten Son,*

*believes in Him should not perish, but have everlasting life."*

Peace with God comes by repentance, and faith in Christ alone, not by the works that we do, nor by any religious rite or ceremony.

For a more detailed summary of our beliefs please read the full "Statement of Faith" [here](#).
